***AN ACT CONCERNING VOTING REQUIREMENTS FOR
ESTABLISHING A SPECIAL TAXING DISTRICT TO MAINTAIN WATER
QUALITY IN A LAKE.***

Be it enacted by the Senate and House of Representatives in General
Assembly convened:

1 Section 1. Section 7-325 of the general statutes is repealed and the
2 following is substituted in lieu thereof (*Effective October 1, 2016*):

3 (a) Upon the petition of fifteen or more voters [, as defined by
4 section 7-6,] of any town, specifying the limits of a proposed district for
5 any or all of the purposes set forth in section 7-326, the selectmen of
6 such town shall call a meeting of the voters residing within such
7 specified limits to act upon such petition, which meeting shall be held
8 at such place within such town and such hour as the selectmen
9 designate, within thirty days after such petition has been received by
10 such selectmen. Such limits shall contain only contiguous property,
11 except any proposed district which is proposed to be established only
12 to plan, lay out, acquire, construct, reconstruct, repair, maintain,
13 operate and regulate the use of a community water system or to
14 construct and maintain drains and sewers or both and which does not

15 exercise any of the other powers enumerated in section 7-326, may
 16 contain noncontiguous properties if the properties proposed to be
 17 included are, or are to be, served by a common water or sewer main.
 18 Such meeting shall be called by publication of a written notice of the
 19 same, signed by the selectmen, at least fourteen days before the time
 20 fixed for such meeting in two successive issues of some newspaper
 21 published or circulated in such town. Not later than twenty-four hours
 22 before such meeting, (1) two hundred or more voters or ten per cent of
 23 the total number of voters, whichever is less, may petition the
 24 selectmen in writing for a referendum, or (2) the selectmen in their
 25 discretion may order a referendum, on the sole question of whether
 26 the proposed district should be established. Any such referendum
 27 shall be held not less than seven nor more than fourteen days after the
 28 receipt of such petition or the date of such order, on a day to be set by
 29 the selectmen for a vote by paper ballots or by a "yes" or "no" vote on
 30 the voting machines, during the hours between twelve o'clock noon
 31 and eight o'clock p.m.; except that any town may, by vote of its
 32 selectmen, provide for an earlier hour for opening the polls but not
 33 earlier than six o'clock a.m., notwithstanding the provisions of any
 34 special act to the contrary. If two-thirds of the voters, or, in the case of
 35 a proposed district to maintain water quality in a lake, a majority of
 36 voters, casting votes in such referendum vote in favor of establishing
 37 the proposed district, the selectmen shall reconvene such meeting not
 38 later than seven days after the day on which the referendum is held.
 39 Upon approval of the petition for the proposed district by two-thirds
 40 of the voters present at such meeting, or if a referendum is held, upon
 41 the reconvening of such meeting after the referendum, the voters may
 42 name the district and, upon the vote of a majority of such voters,
 43 choose necessary officers therefor to hold office until the first annual
 44 meeting thereof; and the district shall, upon the filing of the first report
 45 required pursuant to subsection (c) of this section, thereupon be a body
 46 corporate and politic and have the powers, not inconsistent with the
 47 general statutes, in relation to the objects for which it was established,
 48 that are necessary for the accomplishment of such objects, including
 49 the power to lay and collect taxes. The clerk of such district shall cause

50 its name and a description of its territorial limits and of any additions
51 that may be made thereto to be recorded in the land records of each
52 town in which such district is located.

53 (b) Any district may enlarge or reduce its territorial limits if the
54 board of directors of the district approves a resolution proposing such
55 an enlargement or reduction and stating the proposed boundaries of
56 the area proposed to be included or excluded, as the case may be,
57 provided: (1) The board of directors of the district shall call a meeting
58 of voters of the area proposed to be included or excluded, which
59 meeting shall be held within thirty days of the board of directors'
60 approval of such resolution and shall be called by publication of a
61 written notice of the same, signed by the members of the board of
62 directors of the district, at least fourteen days before the time fixed for
63 such meeting in two successive issues of some newspaper published or
64 circulated in such town, provided not later than twenty-four hours
65 before any such meeting, two hundred or more such voters or ten per
66 cent of the total number of such voters, whichever is less, may petition
67 the clerk of the district, in writing, that a referendum on the question
68 of whether the area proposed to be included or excluded should join or
69 leave the district be held in the manner provided in section 7-327; (2) a
70 two-thirds majority of the voters of the area proposed to be included or
71 excluded in attendance at such meeting, or, if a referendum is held,
72 two-thirds of such voters casting votes in such referendum, vote in
73 favor of joining or leaving such district; (3) that any area to be added is
74 contiguous with some portion of the existing district; [] and (4) if the
75 enlargement of the territorial limits of the district will overlap the
76 territorial limits of another district within the town, the legislative
77 body of the town approves such enlargement. If any district enlarges
78 or reduces its territorial limits, the clerk of such district shall notify the
79 town clerk of each town affected by such enlargement or reduction
80 within thirty days after the vote.

81 (c) The clerk of each district created pursuant to this chapter or any
82 provisions of the general statutes or any special act, shall report to the

83 town clerk of each town in which such district is located: (1) If created
 84 by approval of a petition pursuant to subsection (a) of this section on
 85 or after July 1, 1987, within seven days of such approval; and (2) on or
 86 before July 31, 1993, and annually thereafter for each such district,
 87 irrespective of the date of creation. The first report filed after the
 88 creation of a district shall include a list of the officers of such district, a
 89 copy of the charter or special act of such district and such other
 90 information on the organization and the financial status of such district
 91 as the Secretary of the Office of Policy and Management may
 92 recommend. A copy of the charter or special act of such district shall
 93 be included in any subsequent report if such charter or special act was
 94 amended after the date of the previous filing. No district, irrespective
 95 of the date of creation, created by approval of a petition pursuant to
 96 subsection (a) of this section shall exist as a body corporate and politic
 97 until the clerk of such district has filed at least one report required by
 98 this subsection. If a district is located in more than one town, the report
 99 shall be filed by the district clerk with the town clerk of each town in
 100 which the district is located.

101 (d) Any fine imposed on and after July 1, 1992, on a clerk for failure
 102 to file a report required pursuant to subsection (c) of this section shall
 103 be waived.

104 (e) For the purposes of this section, "voter" means a person
 105 authorized to vote pursuant to section 7-6, except that, in the case of a
 106 proposed district to maintain water quality in a lake, a person is not
 107 required to be an elector of the town in which such district is proposed.

This act shall take effect as follows and shall amend the following sections:
